### Today's Opponent

ITALIA, winnless so far this season, is not at all as impotent as the record might suggest. Two of ITALIA's losses were at the hands of ST. GERARD and JUVENTUS - both unbeaten. Paul DiMarco, ITALIA's manager, feels that his team has overcome its early season slump and is ready to take on all comers. One reason for Mr. DiMarco's optimism is Lludy Lomer, who has stopped three out of four penalty shots this year - an incredible record indeed. Marion Wenger, DNIPRO's manager, is equally proud of his goalie Lee Bernhardt, who is trying to make his mark in shut outs.

MAY THE BEST TEAM WIN

## Last Week's Game

Joe Karwacki and Lee Bernhardt combined their talents to give DNIFRO their first shut out of the season over BALTIMORE KICKERS 4-0.

Walter Krywolako scored the only goal of the first half on a penalty shot. Joe Karwacki broke the game open with two markers in the second half, while John Fedarcyk bounced one off a defender to round out the scoring.

Stach Choinski and Alex Petrosh came within inches of pay dirt several times, but went home empty handed. The middle line, composed of Roman Iwaszko, Peter Kurylas and Terry Nykula controlled the ball and set up the scoring. Andrew Tatchyn seems to have found a home at the fullback spot and is doing an outstanding job in it. Lee Bernhardt accounted for the "0" in the scoring column. Several

with him, but each time Lee outmaneuvered them.

The one noticeable flaw in DNIFRO's play was the lack of aggressiveness on the part of some players. Passes were missed and goals were not scored because that little extra effort was missing.

The game was refereed by Messrs. Anthony DeAngelo and Richard Stacharowski, who kept the game in hand and did not allow personal accounts to be settled on the field.

## Last Week's Game

The next best thing to winning a game, is loosing to a good opponent. ITALIA, in defeating DNIPRO 5-2, exhibited all the qualities which make up a winning combination - speed, good passing and most important, the desire to win. DNIPRO's attackers bounced at least five shots off the goal posts - shots that could have been goals. ITALIA, on the other hand, made each shot count and turned defensive mistakes into goals. Walter Krywolako and Joe Karwacki accounted for DNIPRO's scoring with one goal each.

Danny Kupchyk, R. Kopczyk and M. Kukuruza are the most recent additions to DNIPRO's lineup and are counted on to bolster the team.

The game was refereed by Messrs. A. DeAngelo and P. Palm
